OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. President Rudi Schreiner was born in Vienna, at the heart of the Danube. His love of design drew him to architecture, but his even greater love of travel drew him to places far and wide. In 1975, he traveled to South America for a journalism assignment on the Amazon. It was here that he designed his first ship, using what he could find to build a raft that would take him up and down the river during the next 7 months. Soon thereafter he started working in travel, creating unique tour experiences in Europe.

When the Rhine-Main-Danube canal was built in 1992, Rudi realized the potential for touring as many as 13 European countries by river. He started the North American operations for many of today's major river cruise companies, developing itineraries and ships that would become the templates for what we know river cruising to be today. After years of success as a driving force in the industry, Rudi decided to start his own venture — one that would provide guests with a higher standard of luxury travel by river. That's when he teamed up with Kristin Karst and Jimmy Murphy to start AmaWaterways.

Kristin was born in Germany and brings extensive experience in travel, river cruising and customer service to the company in her role as Executive Vice President. Jimmy Murphy was a brilliant travel entrepreneur, having built Brendan Vacations, one of the most successful tour operators in the U.S. Jimmy's son, Gary, who also played a major part at Brendan, is now Vice President of Sales at Ama.

In 2002, it was Rudi, Kristin and Jimmy working to make their dream of AmaWaterways come true. Now, just 14 years later, Ama is an award-winning cruise line whose fleet will number 21 ships in 2017. Through it all, we have remained family owned and operated, and the owners continue to have a hands-on approach to management. Rudi, who has been recognised for his influence on the industry and inducted into the Cruise Lines International Association's Hall of Fame, directly oversees the design and construction of new ships every year. Kristin and Gary consistently lend their belief in building strong personal relationships and providing exceptional customer service.

Ahead of 2017, we are delighted to add a new chapter to our story with the opening of our first office in the United Kingdom. Led by Managing Director, Stuart Perl and based in Guildford, Surrey, this new part of the AmaWaterways family will continue the high standards of service set by Rudi, Kristin and Jimmy as we work to bring our award-winning product to more people across the United Kingdom.

CRUISE IN COMFORT & STYLE

Our ships are inspired by luxury yachts and designed specifically to maximize every aspect of our guests' experience. You will notice the difference the minute you step on board and are welcomed in the beautiful lobby. From then on, you will be treated to an array of unique and luxurious features as you journey along in your floating hotel. Relax and delight in stunning views in our spacious staterooms, many of which feature twin balconies — a French balcony and an outside balcony. Enjoy exclusive amenities like massage services, a fitness room and a pool while on board. Indulge in award-winning cuisine at a variety of dining venues, including The Chef's Table specialty restaurant — an experience you won't find elsewhere.

Berlitz rated AmaWaterways ships the highest in its inaugural guide to river cruising in Europe. Known for its international travel and language expertise, Berlitz has published cruise guides for 30 years. Author Douglas Ward, a leading authority on cruising, has over 40 years of experience and has spent more than 6,000 days on board covering more than 1,000 voyages. We are delighted that, following the release of the second Berlitz Guide to River Cruising, our vessels have retained their place as the recognised leader within amongst the fleets of Europe with the top 10 ships again all belonging to AmaWaterways. Out of 310 river cruise vessels, Ama consistently rank the best based on accommodations, dining, service and many other onboard features.

"AmaWaterways has helped to redefine European river cruising."

OUR EXPANDING FLEET

Each year, we build ships with new features and designs. We also renovate and enhance our existing fleet to ensure that it is up-to-date.

THE TRADITION CONTINUES

Here's some great news for our guests — we have new ships just like the AmaPrima, which was ranked the #1 ship in the world, that have joined our fleet since the Berlitz guide was published. These include the AmaStella, AmaViola and AmaKristina. These new vessels cruise a number of rivers on a variety of itineraries, so you have even more opportunities to sail on the best ships.

AND SO DOES THE INNOVATION

All of us at AmaWaterways are delighted by the praise lavished on our ships. We're happy with #1, but we're also always working to make #1 even better. On AmaStella, AmaViola and AmaKristina, we've introduced staterooms with connecting doors as well as triple accommodations, making it easier for group and family travel. These vessels also feature more twin balconies and a larger salon, fitness room and massage area.

Berlitz

THE LUXURY OF MORE

As AmaWaterways has grown over the years, we have continued to focus on finding new ways to give our guests more — more experiences, more space and more choices. Our spirit of always looking at what's next on the horizon is inspired by our President and Owner, Rudi Schreiner. His vision has led to many firsts — AmaWaterways was the first to offer twin-balcony (a French balcony and outside balcony) staterooms, include a specialty restaurant, carry a fleet of bicycles on board and offer a broad selection of tours.

Your river cruise with AmaWaterways will be a luxurious experience from start to finish. Customize how you explore Europe with a variety of included shore excursions and flexible tour options.

After a day of discovery, it's time to return to your ship. This is your floating sanctuary, and we've invested a lot to ensure that you will truly enjoy your time on board. Instead of using available space to carry more guests, we chose to make your staterooms larger and provide more amenities. This way, you never feel crowded and there's always a way to indulge, relax and rejuvenate.

No matter how you choose to spend your time, you will have an unforgettable river cruise with AmaWaterways.

Artfully crafted to a first-class standard, each room is equipped with innovative designs, plush bedding, multi-jet showerheads, and many other special touches that make you feel like you're getting the royal treatment. Most of our staterooms have a balcony — or two — so you can enjoy stunning views of the magnificent sights along the river's edge.

Your stateroom was designed to ensure that you travel in luxury from one stunning destination to the next. Set the climate control to your preference and slip into a terrycloth bathrobe as you unwind. Open your French or outside balcony (or both) and feel the soothing breeze come in off the river. Turn on our Entertainment on Demand system and put on a newly released movie, or watch some TV. Switch your flat-screen monitor into computer mode and hop on the internet to post your adventures on Facebook or email friends and loved ones back home. Use the desk to write a special note on one of our postcards — we'll mail it back for you free of charge. Your spacious stateroom is yours to relax in and enjoy as you see fit.

On some of our twin-balcony ships, you'll now find staterooms with connecting doors, as well as triple accommodations. Please ask for details.

FRIENDLY STAFF

SMILING FACES ON BOARD

MEET YOUR CRUISE MANAGER

Your Cruise Manager is there for you every step of the way, both on board and during your land itinerary. If you have any questions, or need anything at all, don't hesitate to ask.

HIGHLY TRAINED

Each and every AmaWaterways Cruise Manager has extensive experience in providing exceptional levels of professional and personalised service. They are extremely knowledgeable about every part of your trip, whether it be on board during the cruise, or at the hotel during a land extension. You will have many opportunities to get to know your Cruise Manager during your voyage.

ALWAYS THERE FOR YOU

Our Cruise Managers are your hosts while you are travelling with us. They are more than happy to answer any questions and even suggest local spots should you prefer to venture out on your own. We are always delighted when we receive comments from our guests praising our service – many of them remember the names of their Cruise Manager and staff for years to come.

FEELS LIKE FAMILY

Cruise after cruise, our guests tell us what a wonderful experience they had with us. It could be the way they were greeted on board, with a glass of champagne and a scarlet rose from the captain. Maybe it was the waiter that remembered their names and drink of choice at dinner, or the chef at breakfast who knew how they liked their omelette. It could be the Cruise Manager that planned something special for a wedding anniversary, or the refreshing drink and chilled towel that awaited them after a day of sightseeing. Our staff is committed to the happiness of our guests, and special touches like these are what really stand out and make you feel like you're surrounded by family.

**BEST RIVER CRUISE LINE
FOR DINING**

A PALATE-PLEASING VOYAGE

AmaWaterways' expert chefs craft menus that feature exquisite, locally-inspired cuisine as well as traditional, Western offerings. At breakfast, sip sparkling wine as you partake of the buffet and fresh pastries, or opt for something made-to-order from the menu. Stop by the Main Lounge for a light lunch, or head to the restaurant for full menu service and high-quality regional wine or beer. Dinner is a delectable, multi-course affair with wine recommendations that accompany visually stunning, delicious dishes. Try local favourites — like goulash while cruising through Hungary, bratwurst and sauerkraut after returning to the ship from Vienna, or Camembert cheese while on the Seine — or something more familiar, like a sandwich. No matter what your preference, your taste buds are sure to be impressed.

Our Executive Chef, Primus Perchtold, is the winner of three gold medals at the European Championship of Culinary Art and oversees the menus aboard every cruise in Europe. You will find one of his recipes on your pillow each night, just in case you want to recreate his culinary magic at home.

YOUR CHOICE OF DINING

Head to the Main Restaurant or The Chef's Table to savour award-winning cuisine. Stop by the Main Lounge for tapas between meals. More places to dine means fewer guests in each venue, allowing for more personalised service and more space.

THE DRINKS ARE ON US

You will enjoy complimentary, unlimited wine, beer and soft drinks during lunch and dinner (as well as sparkling wine and fresh-squeezed juices during breakfast). We hand pick only the highest quality wines and pair them with our cuisine.

AWARD-WINNING CUISINE

HIGH-QUALITY WINE

THE CHEF'S TABLE

It's the only venue of its kind on the river — an exclusive specialty dining experience that's included in the cruise fare.

CUISINE WITH A VIEW

Join a few of your fellow travellers at The Chef's Table, where the kitchen — usually hidden — becomes part of the entertainment. You'll have the opportunity to watch the chef prepare a special, multi-course meal right in front of you. The menu here is unique, making this a truly distinct gastronomic experience. Indulge in delectable dishes paired with unlimited fine wines, hand-selected just for this dinner.

AN INTIMATE SETTING

Seating at most 28 guests, it is an intimate, private venue secluded from the rest of the ship. With just you and a handful of other people, this is a fantastic atmosphere for meeting fellow travelers and making new friends over an exceptional dinner. There is no additional cost to dine at The Chef's Table — all you have to do is make a reservation.

"The food and service is what most passengers remember after their cruise, because this company spends more on food and wine than most. This is for anyone seeking excellence." – DOUGLAS WARD, BERLITZ RIVER CRUISING IN EUROPE

AmaWaterways was the first river cruise line to be inducted into La Confrérie de la Chaîne des Rôtisseurs, a prestigious international gastronomic society dedicated to fine cuisine. Founded in Paris in 1950 to honor the royal Guild of Goose Roasters (whose origins date back to the 13th century), it is the oldest and largest food and wine society in the world. This guild was once so renowned that King Louis XII of France granted it its own coat of arms, complete with two roasting spits, four larding needles and hearth flames.

Membership to La Chaîne des Rôtisseurs is by invitation only and is extended to those possessing world-class culinary acumen. All of our ships in Europe are members and our onboard culinary team is united by a desire to share their expert knowledge of wine and fine dining with you. Simply stated, our onboard dining is truly outstanding.

EXTRAORDINARY EXPERIENCES

On an AmaWaterways river cruise, you don't just pass through a destination — you *experience* it. Each one of our itineraries is crafted with a paramount goal in mind: connecting you to the essence of life in each place you visit. From discovering exceptional sights and historical treasures during immersive city tours to engaging in hands-on encounters during our exclusive shore excursions, you'll feel like you're really becoming part of the local culture.

Throughout history, major cities, smaller villages, and stalwart fortifications have been built along their banks. Today, travellers that sail on these magnificent rivers will encounter grand capitals like Vienna and Paris, charming hamlets and towns, enchanting castles, and other wondrous scenes from a time long past. AmaWaterways river cruises are carefully crafted to immerse you in the many destinations along the river. With 16 itineraries on the Danube, Rhine, Douro, Seine, Rhone and more, you have plenty of options when choosing where you want to explore.

YOUR ITINERARY

Day 1, BORDEAUX - EMBARKATION. Arrive at your luxurious ship, where you will gather this evening for a Welcome Dinner. (D)

Day 2, CADILLAC. Arrive this afternoon in Cadillac, a region renowned for its sensational white wines. Today you will visit the Sauternes wine region, where you'll taste the highly sought-after sweet wines made here. Afterwards, you will see historic Roquetaillade Castle, which is one of the most impressive castles in Europe. It is almost perfectly preserved and still owned by the original noble family that has possessed it for hundreds of years. (B,L,D)

Day 3, PAUILLAC. Today, you will enjoy a panoramic tour of the lovely village town on the Left Bank of the Gironde estuary known as Pauillac. Situated in the famed Médoc AOC (appellation d'origine contrôlée, a government controlled destination of origin which signifies where grapes are grown), Pauillac's gravelly soils are renowned for producing some of the world's finest Bordeaux wines - especially those made from the Cabernet Sauvignon and Merlot grape varieties. You'll be able to taste local wines at an authentic Grand Cru Classé wine tasting and also have free time to explore Pauillac - we will be docked here overnight. (B,L,D)

Day 4, PAUILLAC - BLAYE - BOURG. Take in the riverside scenery this morning as we make our way from Pauillac to Blaye. North of Bordeaux, this small town is best known for its red wine and historic military significance. You'll have your

choice of two activities. The first is an excursion to the city's 17th century citadel - a UNESCO World Heritage Site - that was built by famous military engineer Vauban. From the top of this famous fortress, you can admire fantastic views of the impressive Gironde estuary. The second is a bike tour on which you will wind your way through vineyards, see amazing châteaux and cross Santiago's path, a famous pilgrimage route from the middle ages. Return to the ship for a delicious lunch and prepare for an afternoon in Bourg, to which you can cruise or bike. The bike tour will take you along the "Captain's Road," a scenic coastal path that leads to Bourg sur Gironde. Ideally situated at the confluence of the Dordogne and Garonne, this historic village still lives inside medieval walls. Built during Roman times and later fortified by the English, it is filled with rich architectural tradition. Afterwards, enjoy an exclusive festival of music and wine from the appellation of Cotes du Bourg. The ship will remain here overnight. (B,L,D)

Day 5, BOURG - LIBOURNE. This afternoon, you'll arrive in the winemaking capital of Libourne. Two of Bordeaux's most elite wine regions are very close by - Saint Emilion and Pomerol. You can either enjoy a Grand Cru Classé wine tasting and a visit to the Underground Churches (a UNESCO World Heritage Site) in Saint Emilion, as well as a panoramic tour of Pomerol, or join a guided bike tour through the vineyards of both towns followed by a wine tasting. The ship moors overnight in Libourne. (B,L,D)

CYCLING VIBRANT VIETNAM

YOUR ITINERARY

Day 1, HO CHI MINH CITY – EMBARKATION. Today you will board your river cruise ship moored at My Tho Port, situated outside of Ho Chi Minh City. Meet your fellow travellers at a Welcome Dinner as the ship cruises to Cai Be. (L,D)

Day 2, CAI BE – SA DEC. After breakfast, take an excursion in a local boat around Cai Be to see the floating market. You will also have an opportunity to visit candy and rice paper workshops. An afternoon excursion takes you to Sa Dec, a sprawling town on the Mekong Delta, where French writer Marguerite Duras spent part of her childhood. You will visit the local market, Cao Dai Temple and the house of Mr. Huynh Thuy Le, Duras' Chinese paramour. The ship sails to Tan Chau. (B,L,D)

Day 3, TAN CHAU – BORDER CROSSING. This morning, you'll visit Tan Chau, a small Mekong River town unspoiled by tourism. You will have the opportunity to take one of two tours this morning. Your first option is to take a traditional "xe-loi" (trishaw) ride around the town, with stops at a silk making, slipper and rattan mat workshops. Alternatively, you will take a boat ride through the narrow channels of the Mekong River to several scenic locations, including a small village known as "Evergreen Island." Return to Tan Chau, where you will visit a workshop that makes rattan mats in the village. You will cruise to the Cambodian border after lunch, stopping for border formalities. The ship continues sailing overnight to Phnom Pehn. (B,L,D)

Day 4, PHNOM PENH, CAMBODIA. The ship cruises into spectacular Phnom Penh, the capital of Cambodia, early this morning and docks at the terminal. This morning you will take an excursion to Cambodia's infamous Killing Fields and also visit the Khmer Rouge's grim Tuol Sleng S21 detention center (Genocide Museum) just outside the city. After lunch on board, your afternoon tour explores the highlights of the city, famous for its French colonial architecture, busy cafés and colorful nightlife. Visit the Royal Palace, the spectacular Silver Pagoda and the National Museum, which has an outstanding collection of Khmer crafts. After returning to the ship, enjoy Khmer folk dancing performed by local children in the Saigon Lounge. The ship will moor overnight along the waterfront, close to restaurants and Phnom Penh's vibrant nightlife scene. (B,L,D)

Day 5, PHNOM PENH – KOH CHEN. The morning is free to explore Phnom Penh on your own, perhaps venturing to nearby shops and markets for some souvenir hunting or an opportunity to take a Tuk Tuk tour through the city. In the late morning, the ship continues to Koh Chen, where you will take a leisurely walk through the village and visit home workshops specializing in silversmithing and coppersmithing. (B,L,D)

Day 6, OUDONG – KAMPONG TRALACH. You will have a truly memorable day today, starting with a short motor coach ride to Oudong, the former capital of Cambodia.

STUNNING WATERWAYS AROUND ANGKOR WAT, CAMBODIA

Visit a Buddhist monastery and receive a special blessing. In Kampong Tralach you will enjoy an oxcart ride through the rice paddies surrounding a small village. The ship continues sailing to Kampong Chhnang. (B,L,D)

Day 7, KAMPONG CHHNANG. This morning you will take a motorboat to explore the lakeside wetlands that form around Tonle Sap Lake, the great lake that dominates Cambodia and is known for its stunning variety of bird life and tranquil floating villages. This evening, enjoy a Farewell Dinner on board. (B,L,D)

Day 8, PREK K DAM - DISEMBARKATION - SIEM REAP. Your cruise comes to an end as you disembark at Prek Kdam, a small village on the Tonle River. After disembarking, transfer by motor coach to Siem Reap, the gateway to Angkor and the former capital of the Khmer empire. After checking in to your hotel, the rest of the day is yours to spend at your leisure. (B,D)

Day 9, SIEM REAP - ANGKOR. After breakfast, you will have a guided sightseeing tour of the Angkor Archaeological Park, a UNESCO World Heritage Site. Highlights include Angkor Thom, the newly restored Baphuon Temple, Terrace of the Elephants and the Terrace of the Leper King. You will also see the Bayon Temple, best known for its gigantic

smiling stone faces. Visit nearby Ta Prohm, known as the “Kingdom of Trees” for the way in which the temple stones have become intertwined with thick forest vegetation over the centuries. This afternoon, travel through the rural countryside to visit the pink sandstone temple of Banteay Srei, the “Jewel of Khmer Art.” Afterwards, you will visit an English-language school sponsored by AmaWaterways in a nearby village. Tonight, enjoy a special “Apsara Dancing Show” at your hotel, featuring local Cambodian/Khmer folk dancers. (B,D)

Day 10, SIEM REAP - ANGKOR. This morning you will visit the most iconic of all Angkorian temples, Angkor Wat. This intricate and massive temple complex was built by King Suryavarman II in the early 12th century to honor the Hindu god, Vishnu. The temple stands as a masterpiece of Khmer architecture. (B)

YOUR ITINERARY

Day 1, ARRIVE IN HANOI, VIETNAM. Welcome to Hanoi, Vietnam's capital city, known for its graceful colonial architecture, frenetic streets and verdant parks and temples. After checking into your hotel, the remainder of the day is yours to explore on your own.

Day 2, HANOI. A morning sightseeing tour will take you to some of Hanoi's most famous historical and cultural sites, including the Ho Chi Minh Mausoleum, Ba Dinh Square, One Pillar Pagoda and The Temple of Literature. You will also visit the infamous prison that American POWs sarcastically dubbed the "Hanoi Hilton" during the Vietnam War. In the afternoon, experience an authentic rickshaw ride (known as "cyclo") in the Old Quarter, followed by a traditional water puppet show. (B)

Day 3, HANOI - HA LONG BAY. After breakfast, leave Hanoi behind and take a scenic ride to one of Vietnam's most renowned locations, Ha Long Bay, a UNESCO World Heritage Site. Visit a floating village before boarding a contemporary Junk with traditional accents. This AmaWaterways exclusive experience will see you spend the night on board - an incredible once in a lifetime experience. Board a contemporary junk with traditional accents, where you will spend the night - an incredible once-in-a-lifetime experience and an AmaWaterways exclusive. Enjoy an onboard dinner set against the bay's magnificent scenery and dramatic limestone cliffs and rock formations. (B,L,D)

Day 4, HA LONG BAY - HANOI - SIEM REAP, CAMBODIA. This morning, your Ha Long Bay Junk continues its scenic cruising during breakfast onboard. Late morning, disembark the ship and transfer to Hanoi Airport. A short flight will take you to Siem Reap in Cambodia, the gateway to Angkor, the former capital of the Khmer empire and one of the most renowned archeological sites in all of Southeast Asia. (B,L)

Day 5, SIEM REAP - ANGKOR. After breakfast, you will have a guided sightseeing tour of the Angkor Archaeological Park, a UNESCO World Heritage Site. Highlights include Angkor Thom, the newly restored Baphuon Temple, Terrace of the Elephants, and the Terrace of the Leper King. You will also see the Bayon Temple, best known for its gigantic smiling stone faces. Visit nearby Ta Prohm, known as the "Kingdom of Trees" for the way in which the temple stones have become intertwined with thick forest vegetation over the centuries. This afternoon, travel through the rural countryside to visit the pink sandstone temple of Banteay Srei, the "jewel of Khmer art." Afterwards, you will visit an English-language school sponsored by AmaWaterways in the village of Ta Toum. Tonight, you will enjoy a special

"Apsara Dancing Show" at your hotel, featuring local Cambodian/Khmer folk dancers. (B,D)

Day 6, SIEM REAP - ANGKOR. This morning you will visit the most iconic of all Angkorian temples, Angkor Wat. This intricate and massive temple complex was built by King Suryavarman II in the early 12th century to honor the Hindu god, Vishnu. The temple stands as a masterpiece of Khmer architecture. The afternoon is yours to spend as you wish. (B,D)

Day 7, SIEM REAP - PREK KDAM - EMBARKATION. Today you will board your river cruise ship at Prek Kdam, a small village on the Tonle River. Meet your fellow travelers at a Welcome Dinner as the ship cruises to Kampong Chhnang. (B,L,D)

Day 8, KAMPONG CHHNANG - KOH CHEN. After breakfast, a local boat will take you into the lakeside wetlands that form the mouth of the Tonle Sap River. Enjoy the stunning variety of bird life and tranquil floating villages. In the afternoon, take a leisurely walk to the Koh Chen village. You will also visit home workshops specializing in silversmithing and coppersmithing. (B,L,D)

Day 9, OUDONG - KAMPONG TRALACH - PHNOM PENH. This morning, transfer to Oudong, the former capital of Cambodia, and tour a monastery where you will receive a special Buddhist blessing. In Kampong Tralach, you will have a truly memorable excursion - an oxcart ride through the rice paddies surrounding a small village. Later, your ship departs for Phnom Penh, the capital of Cambodia, where an afternoon orientation tour will give you a wonderful introduction to the city. Return to the ship for dinner and an onboard Khmer folk performance presented by local children. The vessel moors overnight in Phnom Penh. (B,L,D)

Day 10, PHNOM PENH. This morning you will take an excursion to Cambodia's infamous Killing Fields and also visit the Khmer Rouge's grim Tuol Sleng S21 detention center (Genocide Museum) just outside the city. After lunch on board, your afternoon tour explores the highlights of the city, famous for its French colonial architecture, busy cafés and colorful nightlife. Visit the Royal Palace, the spectacular Silver Pagoda and the National Museum, which has an outstanding collection of Khmer crafts. An overnight on the waterfront provides an opportunity to dine on your own in one of many nearby restaurants if you so choose. (B,L,D)

Day 11, PHNOM PENH - BORDER CROSSING - TAN CHAU, VIETNAM. Spend the day cruising the Mekong River as your ship crosses the border into Vietnam. Your vessel moors midstream at the small town of Tan Chau, Vietnam. (B,L,D)

Day 12, TAN CHAU – SA DEC. This morning, you'll visit Tan Chau, a small Mekong River town unspoiled by tourism. You will have the opportunity to take one of two tours this morning. Your first option is to take a traditional "xe-loi" (trishaw) ride around the town, with stops at a silk-making workshop and another that produces rattan mats and slippers. Alternatively, you will take a boat ride through the narrow channels of the Mekong River to several scenic locations, including a small village known as "Evergreen Island." Return to Tan Chau, where you will visit workshops that make silk and rattan mats in the village. This afternoon, your ship cruises to Sa Dec, where it will moor overnight. (B,L,D)

Day 13, SA DEC – XEO QUYT – CAI BE. Once ashore in Sa Dec, tour the town where French writer Marguerite Duras spent many years in her youth. Visit a colorful local market and the house of Mr. Huynh Thuy Le, Duras' Chinese paramour. Later, board a motor coach for Xeo Quyt, once used as a base during the French and U.S. wars and now an important ecological site. After lunch on board, a local boat will take you to Cai Be's floating market. You will also have an opportunity to visit candy and rice paper workshops. This evening, enjoy a festive Farewell Dinner on board. (B,L,D)

Day 14, HO CHI MINH CITY – DISEMBARKATION. Your cruise comes to an end as the ship docks at My Tho Port followed by a transfer to nearby Ho Chi Minh City, still affectionately referred to by locals as Saigon. This former capital of Indochina was once known as "Paris of

the Orient." Today, Vietnam's largest city is an industrial, cultural and educational hub, but still retains vestiges of its colonial past. Explore such famous landmarks as the former Presidential Palace, a photo stop at the Central Post Office and Notre Dame Cathedral. You will also visit the War Remnants Museum, one of the city's most popular tourist attractions, known for its vast collection of artifacts from the Vietnam War. Finish with a visit to the Ben Thanh Market – one of the oldest and most iconic structures in Ho Chi Minh City, where you can search for local handicrafts, colorful textiles, as well as other unique souvenirs and gifts. You will spend the night at a fine hotel in Ho Chi Minh City. (B,L)

Day 15, HO CHI MINH CITY. Today is free to explore Ho Chi Minh City on your own, perhaps venturing to nearby shops and markets for mementos of your Southeast Asia adventure. You may also participate in an optional hands-on cooking class with a chance to taste your culinary creation. (B)

Day 16, DEPART HO CHI MINH CITY. Bid farewell to Vietnam as you prepare for your homeward flight. (B)

TERMS & CONDITIONS

Parties: In these terms and conditions, “you” or “passenger” or “participant” refers to the person booking, purchasing or travelling on the cruise, and to individuals travelling as part of that person’s reservation. “We” or “us” refers to Amadeus Waterways Inc, a California corporation (AWI) and AmaWaterways, the trading name of AmaWaterways Ltd, a company registered in England with company number 10184331. AWI offers the travel and enters into these terms and conditions with you pursuant to arrangements made with AmaWaterways Ltd.

Reservations & Final Payment: To make a reservation, please contact AmaWaterways (AmaWaterways Ltd, Abbots Place Suite B, Walnut Tree Close, Guildford, GU1 4RW, Surrey, UK) on 0800 520 2250 (Trade reservations) or 0800 320 2335 (Customer reservations) or your preferred ABTA agent. A deposit of £270, or £1,600 if booking on an Africa river cruise (plus any other associated costs), per person is required at time of booking. Final payment is due no later than 90 days prior to departure; non-payment may result in the reservation being cancelled.

Pricing: Unless indicated otherwise, all brochure prices are per person, based on double occupancy of a stateroom, or standard hotel room. Single rates are available for cruise at a supplement of plus 50%, except for suites which are plus 100%. Pricing is accurate at time of printing and expected to be in effect at the time of departure but maybe subject to surcharge or reduction for the following items: transportation costs, including the cost of fuel; dues, taxes, or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports; government action such as increases in VAT or any other government imposed increases; or currency exchange rate fluctuations. Only amounts in excess of 2% of the holiday price excluding insurance premiums and any amendment charges will lead to a surcharge or reduction; any surcharge

levied will include an amount to cover agent’s commission. If this means paying more than 10% above the holiday price quoted at time of booking, you will be entitled to cancel the holiday with a full refund of all money paid (not including any premium paid for holiday insurance and amendment charges). Such a cancellation must be made within 14 days of the issue date printed on the surcharge invoice. Failure to pay a surcharge within 14 days may be treated as cancellation of the booking by you, and a cancellation charge of the amount shown under “Cancellation Charges” applicable on the date of AmaWaterways’ decision to cancel will be made. Cancellation Charges are dependent on the date of booking and are shown in Tables I & II. No surcharge or reduction will be made less than 30 days before the date of commencement of the holiday but bookings received within this period may be charged at the published price plus any surcharge arising up to the date of that booking. Airfares and air taxes quoted on your invoice or by a reservation agent are only guaranteed once full payment is received by AmaWaterways. A charge may apply to payments by credit card.

Not included in the price: Passports/visas, excess baggage fees; vaccinations; gratuities on cruise ships; laundry, beverages and food not on the regular table d’hôte menu; optional excursions; all other items of a personal nature; travel, health, personal items or accident protection plans. These items are paid locally. Governmental or local taxes/ fees, airport taxes and fees and fuel surcharges not included in the price will be charged by invoice.

YOUR FLIGHTS

Airline tickets (where applicable): AmaWaterways determines airlines and flight schedules based on the availability of its specific contracted carriers. Air tickets are economy class, unless requested otherwise, and are issued under the terms and conditions of the relevant airline(s). Business class air travel is available for purchase at the time of booking; please ask your reservation agent for details. Airlines require that your exact name, as it appears in your passport, be on your air ticket. AmaWaterways is not responsible for any issues resulting from an incorrect name on any air ticket issued. Every effort is made to obtain direct flights; however, your air schedule may require connections and overnight travel. AmaWaterways is not responsible for any costs resulting

from lost air tickets, delays, disruptions or cancelled flights; lost baggage or missed connections. In the event of a lost air ticket, the passenger will need to file a Lost Ticket Application with the carrier.

Changes: All tickets issued by AmaWaterways have certain restrictions; they cannot be reissued or exchanged. Any changes or refunds must be processed through AmaWaterways. We reserve the right to charge an administration fee of £35, in addition to any appropriate airline fees for any changes made. Any cancellation is charged under the cancellation penalty of the airline. Airline fees vary depending on the carrier. Some air tickets will be non-refundable.

Special requests: Requests for seat assignments, meal requirements, special services and frequent flyer miles are at the sole discretion of the airline; please contact the airline directly.

Baggage: Please check with the appropriate airline regarding airline baggage allowances. In most cases, airlines allow 1 bag per person to be checked in. AmaWaterways assume no responsibility for loss, theft, damage or delay to passenger’s luggage. Baggage insurance is recommended.

Transfers: AmaWaterways can arrange transfers at time of booking.

Own air: For passengers making their own air arrangements, please note that it is the passenger’s responsibility to obtain a valid ticket direct from an air carrier suitable for and in time for travel to the vessel and including local transfers which the passenger must arrange. AmaWaterways accepts no responsibility for any travel arrangement outside of the package provided to you.

GENERAL INFORMATION

Cruise itineraries: Deviations to the planned cruise itineraries and hotels are possible, although every effort will be made to keep them as they are shown in the brochure and final documents. Should conditions render cruise routes unsafe for navigation, AmaWaterways reserves the right to provide alternative services, including but not limited to accommodation on the docked ship and/or substitute ground arrangements. AmaWaterways will make the effort to ensure that the places visited, excursions operated and the hotels or ships offered are as similar as possible to the ones originally planned. Any resulting changes will not result in a refund for the original services; all cruise routes are subject to change without notice.

Cancellations: AmaWaterways reserves the right to cancel, change, or postpone, any departure date and itinerary. In the event of a complete cancellation by AmaWaterways, we will issue a full refund of monies paid for the cruise/tour.

Child policy: All guests under the age of 18 are to be in a cabin with an adult, and must remain supervised at all times, and their safety is the responsibility of the accompanying adult(s). Children between the ages of 4-10 at the time of embarkation may share a cabin with 2 adults provided the child is able to share the bed with the adults - no additional bed will be provided. Please be aware that balcony cabins of any kind may be unsafe for small children if left unsupervised. Children 4-7 years old are not recommended on any program and on our Africa program, due to safety precautions, there is a minimum age limit of 12 years old, unless otherwise agreed upon by AmaWaterways. AmaWaterways does not provide child specific programs or child-minding facilities.

Disabled participants: Any disability requiring special attention must be reported to AmaWaterways at the time of booking. AmaWaterways will make reasonable efforts to accommodate the special needs of disabled cruise participants, but is not responsible for any denial of services by carriers, hotels, restaurants, or other independent suppliers. Tour buses are not equipped with wheelchair ramps and stateroom doors are not wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on tour buses, due to space limitations. Wheelchair passengers should be aware of these limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the ship is at anchor. We regret that we cannot provide individual assistance to a tour member for walking, getting on/off tour buses and other transportation vehicles, or other personal needs. A qualified travel companion must accompany travellers who need assistance.

Pregnancy: For the safety of parent and child, and depending on various circumstances, passengers who are at an advanced stage of pregnancy (after 5 months) may be subject to restrictions or exclusion concerning their ability to travel and/or board a ship. Please

inform us immediately, so we can assess your personal circumstances and possible accommodation.

AmaWaterways strongly recommends that all passengers take malaria pills for travel to Africa. Please contact your personal physician or local health department prior to travel for further detailed information and recommended precautionary measures.
