# GOLF & RIVER CRUISE A MARRIAGE MADE IN HEAVEN

---

## Dear Golfers,

Like many of you, when I hit my first pure shot, I was hooked on the greatest game ever. I wanted to play the best courses that I could and develop my game as far as I could. Over the years I have been privileged to play all over the world, in China, Thailand, India, USA, the UK and in Europe.

Up until now it was never possible to play multiple courses in different countries in one trip because of the logistics involved, yet there were still so many beautiful courses that were on my list to play.

So my company, LGT Golf, has partnered with AmaWaterways to provide a unique golfing holiday that allows you to play 5 of the best courses in Europe. LGT Golf ensures that the luxury, quality and service you experience on an AmaWaterways cruise continues to the golf course, by operating a full concierge service. It is truly a marriage made in heaven, combining the best golf courses with the best river cruises in Europe.

I have based the selection criteria on the same aspects that I would want for my own holiday, selecting golf courses that have hosted a European Tour, Ladies European Tour, Challenge Tour or Seniors Tour tournament. This is because I know the stringent quality criteria that the respective tours demand of a golf course in order to host these tournaments.

I have also played each of these courses myself and can unreservedly say that they are fantastic and I can't wait to go there again.

On my travels, I realised that a great golfing holiday is one where we don't need to deal with the mundane aspects of organising tee times, transportation, club cleaning and so on.

With that in mind, AmaWaterways' golf river cruises take care of all that for you. Our team will pick you up from the Hotel at your starting point, be it in Budapest or Prague, and then follow you to each destination, each time picking you up and delivering you back to the ship so that your golfing holiday is seamless.

Everything will have been arranged in advance for you – your tee time, practice balls for your warm up and your pull trolleys. After your round, you will enjoy lunch in the clubhouse while your clubs are cleaned by our staff. We then return you to your luxury river cruise ship, even if it has moved on to its next stop.

LGT Golf is also creating a River Cruise Order of Merit. Every round counts and at the end of the year the best 3 scores in the men's and women's division will receive prizes, including a free golf tour for the following season. Participation is of course purely voluntary.

LGT Golf and AmaWaterways are working hard to make this the ultimate golf trip. Personally, I hope to share the passion and love for the great game of golf with you on one of these stunning itineraries.

I look forward to playing alongside you in 2017.

## HARTL RESORTS

### BECKENBAUER COURSE

Bad Griesbach, Germany

*Host of the Porsche European Open*

Regal golfing pleasure on lush greens and perfect fairways – this championship course, created by former Masters champion Bernhard Langer, seems to be one with the meadow landscape surrounding the small river Rott and was awarded a “world class” rating within one year of opening. The 18 holes in Penning, right beside the Audi Golf Course, do indeed pack a punch. They don't hold back when it comes to challenges, but also offer sufficient opportunities for some serious success.

What makes this golf course so special is the quality of the hand-mown greens and fairways, which remain tip-top even during the summer thanks to a double-row irrigation season.

Mens White	7150 yards	6500 metres	CR 74,9
Mens Yellow	6685 yards	6078 metres	CR 72,5
Ladies Blue	6239 yards	5508 metres	CR 75,5
Ladies Red	5691 yards	5174 metres	CR 73,6

## DIAMOND COUNTRY CLUB

*Host of the Lyoness Austrian Open*

This Championship course, host of the Lyoness Open powered by Sporthilfe Cashback Card, on the outskirts of Vienna, challenges every player's ability, thanks to the need for good course management and that important element of water.

Experience the European Tour standard which allows for precise shots in challenging settings, far from those packed fairways. The trim cut grass and perfectly kept greens allow for the best games of golf, surrounded by beautiful and fair water hazards.

Mens Black	7500 yards	6819 metres	CR 76,8
Mens White	7111 yards	6465 metres	CR 75,1

The Nicklaus Design LEGEND COURSE complies with USGA standards at the world PGA level. 60% of the world's golf courses which host PGA tournaments have been designed by Nicklaus Design. Along with many other scenic features, this course counts the longest hole in Europe among its challenges.

The 716-metre 15th hole – awaits golf enthusiasts, offering 11 tees. The view alone is fascinating.

## PANNONIA COUNTRY CLUB

Budapest, Hungary

Host of the Hungarian Open

The 18-hole golf course of Pannonia Golf & Country Club was designed by the famous Austrian course designer Hans G. Erhardt. The golf course lies in a valley so the varied forms of its fairways provide a great golf experience. Lakes come into play at 8 holes and pin placements may also present a challenge at the hilly greens. With 6 different tee-boxes, both beginners and advanced players can get a true and fair idea of their golf skills. The natural environment and the beautiful, carefully maintained course inspires golf players to hit great shots.

Erhardt also designed the Golf course Fontana, host of the Austrian Open for many years and believes that Pannonia is still the best course in Hungary.

Mens White	7041 yards	6441 metres	CR 74,1
Mens Yellow	6811 yards	6049 metres	CR 73
Ladies Blue	5946 yards	5406 metres	CR 74,4
Ladies Red	5468 yards	4971 metres	CR 71,3

## ALTERNATE GOLF COURSES

Occasionally one of our Golf courses will be hosting a European Tour event, will be closed for maintenance, or could be booked out for a corporate day. Should that be the case we have selected some other courses to be played as an alternative. The courses all meet the same stringent selection criteria as our main courses, and are also beautiful courses to play.

## OUR EXPANDING FLEET

*Each year, we build ships with new features and designs.  
We also renovate and enhance our existing fleet to ensure that it is up-to-date.*

### THE TRADITION CONTINUES

Here's some great news for our guests – we have new ships just like the AmaPrima, which was ranked the #1 ship in the world, that have joined our fleet since the Berlitz guide was published. These include the AmaSerena, AmaSonata, AmaStella, AmaViola, AmaKristina and AmaLea. These new vessels cruise a number of rivers on a variety of itineraries, so you have even more opportunities to sail on the best ships.

### AND SO DOES THE INNOVATION

All of us at AmaWaterways are delighted by the praise lavished on our ships. We're happy with #1, but we're also always working to make #1 even better. On AmaStella, AmaViola, AmaKristina and AmaLea, we've introduced staterooms with connecting doors as well as triple accommodations, making it easier for group and family travel. These vessels also feature more twin balconies and a larger salon, fitness room and massage area.

## OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. President Rudi Schreiner was born in Vienna, at the heart of the Danube. His love of design drew him to architecture, but his even greater love of travel drew him to places far and wide.

When the Rhine-Main-Danube canal was built in 1992, Rudi realized the potential for touring as many as 13 European countries by river. He started the North American operations for many of today's major river cruise companies, developing itineraries and ships that would become the templates for what we know river cruising to be today. After years of success as a driving force in the industry, Rudi decided to start his own venture – that's when he teamed up with Kristin Karst and Jimmy Murphy to start AmaWaterways.

In 2002, it was Rudi, Kristin and Jimmy working to make their dream of AmaWaterways come true. Now, just 14 years later, AmaWaterways is an award-winning cruise line whose fleet will number 21 ships in 2017. Through it all, we have remained family owned and operated, and the owners continue to have a hands-on approach to management. Rudi directly oversees the design and construction of new ships every year, while Kristin and Gary consistently lend their belief in building strong personal relationships and providing exceptional customer service.

## MORE ROOM, BETTER VIEWS

Every feature in an AmaWaterways stateroom was thoughtfully conceived with the comfort of our guests in mind. Our staterooms start at 160 square feet, and suites can be as large as 350 square feet, giving you more space to sit back and relax in between meals and explorations. Artfully crafted to a first-class standard, each room is equipped with innovative designs, plush bedding, multi-jet showerheads, and many other special touches that make you feel like you're getting the royal treatment. Most of our staterooms have a balcony — or two — so you can enjoy stunning views of the magnificent sights along the river's edge.

Your stateroom was designed to ensure that you travel in luxury from one stunning destination to the next. Set the climate control to your preference and slip into a terrycloth bathrobe as you unwind. Open your French or outside balcony (or both) and feel the soothing breeze come in off the river. Turn on our Entertainment on Demand system and put on a newly released movie, or watch some TV. Switch your flat-screen monitor into computer mode and hop on the internet to post your adventures on Facebook or email friends and loved ones back home. Use the desk to write a special note on one of our postcards — we'll mail it back for you free of charge. Your spacious stateroom is yours to relax in and enjoy as you see fit.

On some of our twin-balcony ships, you'll now find staterooms with connecting doors, as well as triple accommodations. Please ask for details.

## TWIN BALCONIES

*Many of the staterooms on our European fleet feature not one, but two private balconies – a French balcony and a full outside balcony. Together, they provide a unique panoramic view of the beautiful sights along the river and maximize the natural light coming in. With twin balconies, you can enjoy the river however you like.*

### OUTSIDE BALCONY

Have a seat and enjoy the fresh air on your full-sized outside balcony. It's the perfect place to sip some tea or read a book as historic Europe passes by.

### FRENCH BALCONY

You can still let the light and breeze in if you prefer to relax inside. Your floor-to-ceiling French balcony features a sliding door as well.

FOR DINING

## A PALATE-PLEASING VOYAGE

AmaWaterways' expert chefs craft menus that feature exquisite, locally-inspired cuisine as well as traditional, Western offerings. At breakfast, sip sparkling wine as you partake of the buffet and fresh pastries, or opt for something made-to-order from the menu. Stop by the Main Lounge for a light lunch, or head to the restaurant for full menu service and high-quality regional wine or beer. Dinner is a delectable, multi-course affair with wine recommendations that accompany visually stunning, delicious dishes. Try local favorites – like goulash while cruising through Hungary, bratwurst and sauerkraut after returning to the ship from Vienna, or Camembert cheese while on the Seine – or something more familiar, like a sandwich. No matter what your preference, your taste buds are sure to be impressed.

Our Executive Chef, Primus Perchtold, is the winner of three gold medals at the European Championship of Culinary Art and oversees the menus aboard every cruise in Europe. You will find one of his recipes on your pillow each night, just in case you want to recreate his culinary magic at home.

### YOUR CHOICE OF DINING

Head to the Main Restaurant or The Chef's Table to savor award-winning cuisine. Stop by the Main Lounge for tapas between meals. More places to dine means fewer guests in each venue, allowing for more personalized service and more space.

### THE DRINKS ARE ON US

You will enjoy complimentary, unlimited wine, beer and soft drinks during lunch and dinner (as well as sparkling wine and fresh-squeezed juices during breakfast). We hand pick only the highest quality wines and pair them with our cuisine.

AWARD-WINNING CUISINE

HIGH-QUALITY WINE

## THE CHEF'S TABLE

*It's the only venue of its kind on the river — an exclusive specialty dining experience that's included in the cruise fare.*

### CUISINE WITH A VIEW

Join a few of your fellow travelers at The Chef's Table, where the kitchen – usually hidden – becomes part of the entertainment. You'll have the opportunity to watch the chef prepare a special, multi-course meal right in front of you. The menu here is unique, making this a truly distinct gastronomic experience. Indulge in delectable dishes paired with unlimited fine wines, hand-selected just for this dinner.

*"The food and service is what most passengers remember after their cruise, because this company spends more on food and wine than most. This is for anyone seeking excellence."* – DOUGLAS WARD, BERLITZ RIVER CRUISING IN EUROPE

### AN INTIMATE SETTING

Seating at most 28 guests, it is an intimate, private venue secluded from the rest of the ship. With just you and a handful of other people, this is a fantastic atmosphere for meeting fellow travellers and making new friends over an exceptional dinner. There is no additional cost to dine at The Chef's Table – all you have to do is make a reservation.

AmaWaterways was the first river cruise line to be inducted into La Confrérie de la Chaîne des Rôtisseurs, a prestigious international gastronomic society dedicated to fine cuisine. Founded in Paris in 1950 to honor the royal Guild of Goose Roasters (whose origins date back to the 13th century), it is the oldest and largest food and wine society in the world. This guild was once so renowned that King Louis XII of France granted it its own coat of arms, complete with two roasting spits, four larding needles and hearth flames.

Membership to La Chaîne des Rôtisseurs is by invitation only and is extended to those possessing world-class culinary acumen. All of our ships in Europe are members and our onboard culinary team is united by a desire to share their expert knowledge of wine and fine dining with you. Simply stated, our onboard dining is truly outstanding.
