# OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-Founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube River. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter, he started working in travel, creating unique tour experiences in Europe.

*“There are certain experiences in life that end up drawing you down a path you had never envisioned yourself taking. My Amazon River trip made me want to help more people discover the joy of travelling through a country by river – and creating AmaWaterways with Kristin and Jimmy made this dream a reality.” – Rudi Schreiner*

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with Co-Founders Kristin Karst and Jimmy Murphy to start AmaWaterways. Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father’s legacy in his role as Senior Vice President of Sales.

*“Travel has been my life’s passion and my greatest source of inspiration and creativity. I am very proud of AmaWaterways’ success – it has taken grit, optimism and the insight to surround ourselves with really talented people who treat every new challenge as an opportunity to think differently and create something new that helps us stand out from the crowd.” – Kristin Karst*

From the beginning, our goal was to create a river cruise company that we, ourselves, would enjoy. To us, that meant the highest-quality, locally sourced food and fine wine; innovative and elegantly appointed ships with staterooms offering maximum views to enjoy the ever-changing countryside; and a crew who goes above and beyond, treating every guest like they are part of OUR family.

*“We are proud to represent a product and river cruise experience that is enjoyed by travelers of all ages. We are truly inclusive, not only in our product delivery and everything we include in our price, but also inclusive of all ages, ethnic backgrounds and family compositions.” – Gary Murphy*

NILE RIVER, CAIRO, EGYPT

# THE NILE RIVER

The Nile is often associated with Egypt, but in fact, it flows north for over 4,000 miles through 11 countries—Tanzania, Uganda, the Democratic Republic of the Congo, Rwanda, Burundi, Ethiopia, Kenya, Eritrea, South Sudan, Sudan and Egypt—before emptying into the Mediterranean Sea. Fascinatingly, most rivers flow north to south, but the Nile flows south to north and historically has flooded during the months of August and September.

Egypt has been dependent on the predictability of the Nile's cycle since ancient times; and as a result, the river has been the heart of Egyptian civilisation since this time. Without its water, rich soil, papyrus reeds, fish and fowl life, Egyptian culture wouldn't have existed. Since rainfall is almost non-existent in Egypt, the floods provided the only source to sustain crops. It was from these natural resources, that one of the greatest civilisations emerged, with a complex belief system, mystifying rituals, brilliant artistry, ingenious feats of engineering and awe-inspiring archaeological treasures that changed the course of history.

## THE ASWAN HIGH DAM

While ancient Egyptians relied on the Nile flooding, it no longer floods each year because in 1970 the Aswan High Dam was completed. This huge dam helps to regulate the flow of the river, to generate electricity, irrigate farms and provide homes with drinking water. And since many of Egypt's historical sites were built along the banks of the Nile River, some had to be moved, including Nubian villages and Abu Simbel, one of the most recognisable ancient sites in Egypt. For 3,000 years, it sat on the Nile's West Bank. However, in a remarkable feat of engineering, the temple complex was dismantled and rebuilt on a higher hill to make way for the Aswan High Dam. Abu Simbel's home is located on Lake Nasser, one of the largest man-made reservoirs in the entire world which exists because of the Aswan High Dam.

## EGYPT: THE GIFT OF THE NILE

Egypt is considered to be one of the cradles of civilisation; and the Nile River has clearly played a crucial role in its creation. This is why the Greek historian Herodotus called Egypt the "Gift of the Nile," since without its water, the Egyptian empire would not have emerged.

## NUBIA

*Experience Nubia, its wonderful culture and welcoming people—a highlight of your Egyptian adventure.*

### INTERTWINED HISTORIES

Nubia reflects a great heritage with a history dating from 2000 B.C. to modern day. Nubia, one of Egypt's hidden treasures, is culturally linked to ancient Egypt, where bouts of peace and war were a constant. In ancient tomb paintings, the Nubians were often depicted as traders who were sophisticated and served as major merchants for gold, ivory and ebony. In fact, their region was the main source of gold for the Egyptians, and may be why the name "Nubia" was derived from the Egyptian word for gold, "nub." Ancient Nubians were also known for their archery skills, and the Egyptians called their land "Ta-Seti," meaning "Land of the Bow."

Sadly, while Nubia had a prosperous history, time hasn't always been kind to them, especially when the Aswan High Dam was created. This ancient land today lies mostly under the waters of Lake Nasser created by the dam; and as such, lower Nubia could be considered modern Egypt's very own lost Atlantis. Nubian villages today are located near Aswan and differ from other Egyptian villages as they are easily distinguished by their houses awash in a rainbow of bright and lively colours. While the Nubians who live here are considered to be citizens of Egypt, these extremely warm and welcoming people still retain their own culture with their own unique language, as well as poetry, novels, storytelling and music.

PREPARING DELICIOUS CUISINE, THE CHEF'S TABLE

# A FEAST FOR THE SENSES

Part of what makes travel so exhilarating is discovering the destination and its culture through its cuisine; and, while travelling through Egypt, you'll be treated to a feast for the senses on a palate-pleasing journey. Immersed in history and tradition, Egyptian cuisine is quite varied and shares similarities with its Mediterranean counterparts – but with a unique twist. Hummus, baba ghanoush, falafel, rice-stuffed vine leaves, exquisite cheese and baklava are staples of Egyptian cuisine, along with delicious meals prepared with fresh fish, meat, vegetables, legumes, and of course, exotic spices.

## THE PERFECT BLEND

Beautiful and often historic settings, combined with deliciously locally sourced cuisine, including regional specialties and Western favourites, will be part of your Egypt culinary journey. While visiting Cairo, you'll be treated to some very special dining experiences. After a day exploring the Great Pyramids, unwind and indulge in a lovely lunch at the Mena House, complete with views of the pyramids. Dine at one of Egypt's oldest restaurants, Naguib Mahfouz, made famous by its namesake—one of Egypt's famous authors and Nobel Prize winners. And feel like royalty at the luxurious Abdeen Palace with a private lunch.

While sailing, the ever-changing views of the Nile River provide the perfect backdrop as you prepare for daily adventures and recharge with bountiful breakfast and lunch buffets. Throughout your river cruise, enjoy unlimited complimentary wine, beer and soft drinks with lunch and dinner on board.

EGYPTIAN-STYLE LAMB CHOPS

## TANTALISE YOUR TASTE BUDS

Get excited for your Egyptian adventure by trying this simple, yet delicious dip dating back to ancient Egypt in the 13th century.

### THE ORIGINS OF “HUMMUS BI TAHINI”

The Turks, Greeks, Israelis and Egyptians—among others—all have a rich hummus history, but who really can claim *hummus bi tahini* prepared from chickpeas and tahini paste, among other ingredient, as their own? While no one really knows for sure, based on the medieval cookbook, “*Kitab Wasf al-Atima al-Mutada*,” Arabic for “*The Description of Familiar Food*,” it likely originated from ancient Egypt. Regardless of where it originated, this tasty dip is enjoyed by all cultures.

#### INGREDIENTS

- 1 (16-ounce) can of chickpeas
- 60 ml liquid from the can of chickpeas
- 3 to 5 tablespoons lemon juice (depending on taste)
- 1 1/2 tablespoons tahini (sesame paste)
- 2 cloves garlic (peeled and crushed)
- 1/2 teaspoon salt (depending on taste)
- Pinch of cumin and cayenne pepper

**Directions:** Drain the chickpeas and set aside the liquid. Combine the chickpeas, lemon juice, tahini, garlic and salt in a blender. Add 60 ml of the liquid from the chickpeas. Blend on low until thoroughly mixed and smooth. Place in a serving bowl and create a shallow well in the centre of the hummus and then add a small amount of olive oil in the well. Serve with fresh, warm pitta bread, or cover and refrigerate.

STATUE OF RAMESES II, LUXOR TEMPLE, EGYPT

## LUXOR—“THE WORLD’S GREATEST OPEN-AIR MUSEUM”

The perfect gateway for your Nile River cruise is the UNESCO-designated city of Luxor—one of the most unique settings in the world, combining the past and present. Formerly known as Thebes, the capital city of the New Kingdom of Upper Egypt, and once considered the most powerful and exquisite city of the ancient world, Luxor has often been called “the world’s greatest open-air museum.” It has been stated that Luxor contains about a third of the most valuable monuments and antiquities in the entire world constructed from the onset of the Middle Kingdom (2050 B.C.) up until Roman and Byzantine times, and is located on both the Left and Right banks of Nile, which you’ll get to explore.

### THE LEFT BANK: THE TEMPLES OF KARNAK AND LUXOR

Two of Egypt’s most astonishing temples—Karnak and Luxor—lie on the Left Bank and are joined by the one-and-half-mile Avenue of Sphinxes (comprised of 700 sandstone sphinxes). The Temple of Luxor, constructed over the course of 1,300 years by Amenhotep III, Rameses II, Tutankhamun and other pharaohs, is one of the world’s best-preserved ancient sites and was dedicated to Amon, king of the gods, his wife Mut, and Khonsu, their child. The Temple of Karnak, the largest religious complex in Egypt and one of the largest in the world, second to Cambodia’s Angkor Wat Temple complex, covers about 200 acres and includes a vast network of columns, hieroglyphics, obelisks, sphinxes and colossi.

### THE RIGHT BANK: THE TOMBS OF THE NOBLES

On Luxor’s Right Bank is one of the most important archaeological sites in the world, often referred to as the “Tombs of the Nobles.” The most famous is the Valley of the Kings containing more than 60 tombs, including the enigmatic King Tutankhamun, whose mummified remains are still here on display. South of the Valley of the Kings and closer to the Nile lies the Valley of the Queens – home to the mummified remains of more than 30 queens and princesses, including Nefertari’s Tomb. Another amazing tomb dedicated to one of Egypt’s most successful pharaohs and the country’s first female ruler is the mortuary temple of Queen Hatshepsut, “Holy of Holies,” located beneath the cliffs at Deir el Bahari. It is one of the most incomparable monuments of ancient Egypt with an unusual structure even in its day because it was designed to seamlessly blend into its natural surroundings.

# THE MYSTERIES OF ANCIENT EGYPT

Travel along the Nile River from Luxor to Aswan and discover a dazzling array of ancient monuments, tombs and temples. Experience some of Egypt's greatest cult temples devoted to a particular god or goddess, including the Temple of Horus, the falcon god, and the Temple of Isis, mother of Horus and wife of Osiris; along with some of the most intriguing mortuary temples dedicated to the pharaohs after their death, such as the Mortuary Temple of Hatshepsut.

## TEMPLE OF HATHOR

Hathor was a major goddess in ancient Egypt who personified the principles of joy, feminine love and other earthly pleasures. This temple is considered the best-preserved temple in Egypt and is visually stunning with its grand entrance, detailed carvings, hieroglyphics and decorated ceiling.

## THE TEMPLE OF EDFU

Sacred to the falcon god Horus, known as the protector of the pharaohs, this temple is Egypt's second largest and one of the best preserved. Construction began in 237 B.C. and was completed in 57 B.C. by Cleopatra's father.

## NEFERTARI'S TOMB

Nefertari, which means "the most beautiful of them all," was the beloved royal wife of Rameses II, who built this tomb for her. Known as QV66, this tomb is considered one of the largest and most beautiful. You'll enjoy exclusive access inside to see its gorgeous and well-preserved wall paintings up close.

## TEMPLES OF PHILAE

The UNESCO-designated Philae Temple complex has one of the most stunningly restored and preserved hieroglyphics in Egypt. It's an exquisite island shrine to the goddess Isis and mother of Horus.

## TEMPLE OF KOM OMBO

The Temple of Kom Ombo is an unusual double temple. Due to the conflict between Sobek, the crocodile god, and Horus, the falcon-headed god, the ancient Egyptians separated their temple spaces so there are two of everything.

## GREAT TEMPLE OF ABYDOS OF SETI I

While Seti I's history might be overshadowed by his son, Rameses II, considered one of history's greatest pharaohs, Seti I's role was to bring back order to Egypt after the controversial heretic Pharaoh Akhenaten's religious reforms.

FLUTE VENDOR, KHAN EL-KHALILI MARKET, CAIRO

## “THE CITY OF A THOUSAND MINARETS”

There are many cities that blend the Old World and the new, and then there is Cairo, Egypt’s capital, located on the banks of the Nile River. It is a city where towering skyscrapers overlook 1,000-year-old monuments, and where getting around could mean hopping on the world-class metro system or catching a relaxing ride down the Nile on a felucca. Cairo also holds the special distinction of being home to the last of the Seven Wonders of the Ancient World still standing, the Great Pyramids, completed around 2540 B.C. While Cairo provides the gateway to the Great Pyramids, which have historically loomed large as emblems of ancient Egypt, Cairo is a colourful city with even more to discover beyond the timeless pyramids.

### OLD CAIRO

Tucked away amid the modern urban area of the city lies Old Cairo, which is full of sites dating from Egypt’s Christian past and the dawn of Islam’s presence in Egypt. As one of the world’s oldest Islamic cities, Cairo is home to stunning Islamic architecture, which has earned it the nickname “The City of a Thousand Minarets.” Old Cairo is also home to Coptic Cairo—a stronghold of Egypt’s Christian past until the Islamic era—and encompasses the city’s oldest structure, a Babylonian fortress, as well as a concentration of Christian churches and other sites that date from the centuries between the decline of the pharaonic religion and the arrival of Islam when Egypt had a Christian majority.

### THE HEARTBEAT OF THE CITY

Located in this historic centre is Khan El-Khalili, an important district for cultural and economic activities, along with one of the world’s great shopping experiences. While strolling through this 14th-century market, you may find your eyes becoming lost between the unique mix of merchandise—from sparkling silverware to gold artifacts to exotic spices. It’s also home to many old cafés, including one of Nobel Prize winner Naguib Mahfouz’s favorite cafés, aptly named Naguib Mahfouz Restaurant. While dining at this café, be treated to a number of Egyptian delicacies, as well as a host of traditional hot drinks and juices as you enjoy a nostalgic trip back in time to Cairo’s golden past.

# CAIRO—A UNIQUE AND VARIED HISTORY

Every corner of Cairo has its own unique history and story to tell, with a clear contrast between the various historical stages that extend from ancient Egypt to the Roman Empire, and the Islamic era until the modern history of Egypt—all of which blend in harmony.

## EGYPTIAN MUSEUM

The exquisite Egyptian Museum is home to some of the greatest masterpieces ever crafted. Its unique collection of pharaonic art includes the priceless treasures of Tutankhamun, such as his death-mask, beautifully made of solid gold discovered by Howard Carter in the Valley of the Kings in 1922.

## CITADEL OF SALAH ED-DIN & ALABASTER MOSQUE

The UNESCO-designated Citadel of Saladin is home to the Mosque of Muhammad—also known as the Alabaster Mosque—which was built to rival Istanbul's Hagia Sofia with an ornate interior and splendid array of lamps suspended from the intricately decorated ceiling.

## GREAT PYRAMIDS OF GIZA

The three Pyramids of Giza are among the most famous structures on Earth. The Great Pyramid of Giza, also called the Pyramid of Khufu in honour of the pharaoh entombed within, is the oldest of the Seven Wonders of the Ancient World, and the only one still intact today.

## THE SPHINX

At the eastern end of the pyramids sits another famous monument, the Great Sphinx. In Ancient Egypt, the head was often a Pharaoh or a god, and Egyptologists believe the head of the sphinx is modelled after Khufu's son, Khafre, who was entombed in the second pyramid.

## DJOSER STEP PYRAMID

The Djoser Step Pyramid at Saqqara, the necropolis of ancient Memphis, predates the Pyramids of Giza. It is believed to be the first pyramid ever designed and by comparison to other Egyptian pyramids of a similar age, this was elaborately decorated with stone, as well as with more traditional materials.

## ABDEEN PRESIDENTIAL PALACE

Considered one of the world's most luxurious palaces, the Abdeen Palace consists of multiple museums, including the Presidential Gifts Museum. An incredible volume of paintings adorn the walls in almost every room, along with a collection of clocks, many of which are decorated with pure gold.

THE SHEIKH ZAYED GRAND MOSQUE, ABU DHABI

# CAPTIVATING LAND PROGRAMMES

With AmaWaterways's carefully crafted pre- and post-optional land extensions, you can spend even more time in world-class destinations—all while getting even more value out of your international airfare. AmaWaterways offers three exciting optional land extensions to add to your Egypt adventure.

## DUBAI AND ABU DHABI, UNITED ARAB EMIRATES

### 3-night Pre-Egypt Extension

While Dubai was a small desert town 50-plus years ago, today it is a vibrant cultural focal point in the Middle East known for luxury shopping, modern architecture and a lively nightlife. It is also home to the world's tallest building, Burj Khalifa, dominating the skyscraper-filled skyline and the ultra-famous Burj al Arab, the world's only 7-star hotel. Its closest neighbour, Abu Dhabi, is the capital of Emirates, offering a surprising mix of turquoise waters, beautiful beaches, historic sites and iconic landmarks.

**DAY 1, DUBAI, UNITED ARAB EMIRATES.** Arrive at the Dubai International Airport where an AmaWaterways representative will meet you and transfer you to the award-winning, 5-star JW Marriott Marquee.

**DAY 2, DUBAI.** Explore the Dubai Museum housed in the Al Fahidi Fort, which is the oldest existing building in the city, and a must-visit for a taste of old Dubai. Enjoy a boat trip down the massive Dubai Water Canal past many of the city's luxury hotels and landmarks before going to the Gold Souk. This is Dubai's most famous souk, offering a huge selection of jewellery made from gold, silver and diamonds as well as the Spice Souk with countless flavours, fragrant herbs and colourful spices. You will then visit Burj Khalifa, the tallest building in the world; and later this afternoon, you'll go on a desert safari in a 4x4 to experience the beauty and customs of the desert, along with henna painting, belly dancing and more, followed by a barbecue dinner. (B,D)

**DAY 3, DUBAI - ABU DHABI - DUBAI.** Drive to Abu Dhabi where you'll visit Zayed Grand Mosque, the largest mosque in the country. With more than 80 marble domes on a roof-line held aloft by 1,000 pillars and punctuated by four 107 metre-high minarets, it's a masterpiece of modern Islamic architecture and design. More than 90,000 tons of pure white marble from the Republic of Macedonia were used in its construction. Delicate floral designs inlaid with semi-precious stones, such as lapis lazuli, red agate, amethyst, abalone, jasper and mother-of-pearl, decorate a variety of marbles and contrast with the more traditional geometric ceramic details. After your visit here, you'll drive past Emirates Palace and the sprawling Presidential Palace in Ras Al Akhdar to Heritage Village, where you can shop, explore artifacts and watch artisans making pottery, blowing glass and weaving fabric on a loom. Conclude your day's adventure with a visit to Yas Marina, one of Abu Dhabi's finest marinas before returning to Dubai in the afternoon. (B)

**DAY 4, DUBAI - CAIRO, EGYPT.** Transfer to the Dubai International Airport for your flight to Egypt. (B)

#### 5-star Hotel:

JW Marriott Marquee, Dubai

#### For individual hotel/land extensions, add to Egypt itinerary price:

3 nights Dubai: from **£1,730** per person in double; **£1,153** per person in single

THE FAMOUS DUBAI SKYLINE, UNITED ARAB EMIRATES

A photograph of the Treasury in Petra, Jordan, viewed through a narrow opening in a rock wall. The Treasury is a two-story classical building with a portico of six columns and a pediment. The upper story features a balcony with four columns and a central niche. The building is carved into the reddish-brown rock. A group of people is visible in the courtyard in front of the building.

THE TREASURY IN THE ANCIENT CITY OF PETRA, JORDAN

## AMMAN AND PETRA, JORDAN

### 2 nights Amman and 2 nights Petra Pre-Egypt Extension

Follow in the footsteps of Moses, Romans, Christians, Bedouins, Muslims, Lawrence of Arabia, and countless other kings, nobles, and other historical people, exploring and marvelling at the fascinating jewels of Jordan. Discover two legendary cities and experience all their wonderful treasures. Amman, the capital of Jordan; and Petra, known as the “Rose City.” Trace history in 6,500-year-old Jerash; visit Madaba, the “City of Mosaics”; and cap off your journey in Wadi Rum, the timeless “Valley of the Moon.”

**DAY 1, AMMAN, JORDAN.** An AmaWaterways’ representative will meet you at the airport and transfer you to the 5-star St. Regis Amman.

**DAY 2, AMMAN – JERASH – AMMAN.** The day starts with a city tour of Amman’s historic sites. Since Jordan was once part of the Roman Empire, it is home to a legacy of Roman architectural treasures, such as Jerash, considered one of the best examples of Roman influence outside of Italy, which you’ll get to visit. Enjoy lunch at Kan Zamaan Restaurant, offering an atmospheric setting in a historic caravanserai, before continuing to Saladin’s 12th-century Ajloun Castle. (B,L)

**DAY 3, AMMAN – MADABA – MT. NEBO – PETRA.** Madaba, “The City of Mosaics,” known for its famous mosaics, including the most celebrated of them all, the “Madaba Map”; and Mt. Nebo, one of the most revered sites in Jordan where Moses first viewed the Promised Land, are two of Jordan’s many treasures you’ll see. You’ll then travel to the ancient lost city of Petra where you’ll check in to The Old Village Resort. (B,L)

**DAY 4, PETRA.** A honeycomb of hand-hewn caves, temples and tombs carved into the rose red Sharah Mountains, Petra is one of the most stunning architectural sights on earth. Lost for over a thousand years, Petra was only rediscovered in 1812. At the entrance, you’ll walk through the Siq, a nearly 3/4 mile narrow passageway carved into sheer rock walls that rise seemingly into the heavens to the “Khazneh,” (the “Treasury”). You’ll also see the 4,000 seat theatre, the Courts, Qasr Bint Pharaoun, Temple of the Winged Lion and other monuments. Cap the day off with a farewell dinner. (B,D)

**DAY 5, PETRA – WADI RUM – CAIRO, EGYPT.** Before going to the airport for your flight to Egypt, you’ll visit Wadi Rum with its red-pink sands, stunning natural arches and prehistoric rock engravings. You’ll also go to Lawrence Springs named for T.E. Lawrence—“Lawrence of Arabia”—who famously made the area his military base and home. Later in the afternoon, board your flight to Egypt for an early evening arrival. (B,L)

# AFRICA AND THE CHOBE RIVER

## The land of the gentle giants

Nothing can quite prepare you for a “bucket-list” experience on an AmaWaterways Africa Safaris & Wildlife Cruise. There’s much to see on the redlined banks of the Chobe; and surely few experiences compare to personally staring wide-eyed as the largest concentration of elephants in all of Africa freely swim and splash about in their natural habitat.

Combining a classic safari and cultural experiences with a scenic wildlife cruise, you will have the best of both worlds. Each one of our five meticulously planned safari and wildlife programmes include an incredible four-night stay aboard the beautiful Zambezi Queen, allowing you to get up close to some of Africa’s most iconic wildlife in one of the world’s most diverse ecosystems. You’ll also spend two nights at one of the “Seven Natural Wonders of the World,” Zimbabwe’s majestic Victoria Falls, following your cruise.

Whatever your tastes might be, we have a trip perfectly suited for you. Two of our five itineraries include three nights in Greater Kruger National Park, home to the “Big Five”: lions, leopards, rhinos, elephants and buffaloes. One itinerary offers the ultimate seven-night safari adventure in Tanzania, home to four of the African continent’s most renowned national parks; and one features the Rovos Rail luxury train. For the quintessential wildlife experience, encounter the silverback mountain gorillas and golden monkeys by adding our Rwanda four-night extension to any of the five itineraries.

No matter which itinerary you choose, you’ll be treated to once-in-a-lifetime moments that will forever touch your heart and soul.

4.6 You may be charged for the amount of any increase in accordance with this clause plus the administration charge of £1 per person. However, if this means that you

have to pay an increase of more than 8% of the total price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements) you will have the option of (i) accepting the price increase and pay the requested amount (ii) accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price) or (iii) cancelling your holiday booking and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements which do not form part of your package. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days of the issue date printed on your final invoice.

4.7 Should the price of your holiday go down due to the changes mentioned above, then any refund due will be paid to you. However, please note that travel arrangements that are purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

## 5 If You Change Your Booking

5.1 If, after we have issued a booking confirmation invoice to you, you wish to change your travel arrangements, we will do our best to make these changes, although it may not always be possible to do so. Your request to change your booking must be made in writing by the party leader. You will be asked to pay an administration charge of £25 and any further costs we may incur in making this alteration. When changing your travel arrangements, the price will be based on the price applied on the date you make the change. The price may not be the same as when you first made your booking.

5.2 If you or any member of your party is prevented from travelling, that person may transfer their place to someone else subject to the following conditions:

1. That person is introduced by you and satisfies each and all of the conditions applicable to the booked holiday;
2. We are notified in writing of the request for transfer not later than 7 days before departure;
3. You pay the outstanding balance payment, and the amendment fee of £25 per person transferring, as well as any additional fees, charges and other costs arising from the transfer;
4. The transferee agrees to these booking conditions, and all of the terms of the Contract between us.
5. Charges amounting to the full cost of any transferred flight and a replacement flight will be imposed in the event of any transfer.

5.3 You and the transferee will remain jointly and severally liable for the payment of all sums. If you are unable to find a replacement, the cancellation charges set out in clause 6.1 will apply in order to cover our estimated costs. Otherwise, no refunds will be given to passengers not travelling or for any unused service.

5.4 Any discount you received when you made your original booking may be altered or reduced when changes are made if this discount had subsequently been altered, reduced or withdrawn.

5.5 If you have paid accommodation supplements and the number of people in your accommodation changes you may have to pay extra.

5.6 Any changes to your departure date, airport, transportation, destination, accommodation or length of travel must apply to all members of your booking.

5.7 If you have taken out travel insurance it may not be possible to change or cancel this and as such, any premium cannot be refunded.

5.8 Scheduled airlines do not allow name changes prior to departure and may not allow these after the flight ticket has been issued. If you wish to make a name change and this is not permitted by your airline, it will be necessary to cancel your flight, lose the money paid in respect of that flight and pay the full cost of another flight, which may not be the same flight or at the same cost as the one you have cancelled.

## 6 If You Cancel Your Booking

6.1 If you, or any member of your party, cancel your travel arrangements at any time, written notification from the person who made the booking must be received by us at our registered office or by email at [amares-intl@amawaterways.com](mailto:amares-intl@amawaterways.com). Since we incur costs in cancelling your travel arrangements, the following cancellation charges will be payable by you. The cancellation charge is a percentage calculated on basis of the total costs payable by the person cancelling non refundable in the event of cancellation.

6.2 You have the right to cancel your holiday before departure without paying a cancellation charge in the event of “unavoidable and extraordinary circumstances” occurring at your holiday destination or its immediate vicinity and which significantly

affects the performance of the holiday or which significantly affects transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any compensation.

6.3 For the purposes of this clause, examples of “unavoidable and extraordinary circumstances” include warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to your destination.

### 7 If We Change or Cancel Your Booking

7.1 Once your booking has been confirmed we will make every effort to provide you with the booked holiday arrangements. Occasionally, it may be necessary to amend or cancel whole or part of your holiday.

We will notify you or your travel agent of any alteration or cancellation as soon as we reasonably can.

7.2 Independent travel arrangements (e.g. flights, airport parking, car hire, etc) that you may arrange separately do not form part of our contract with you. Should we need to make changes to your travel arrangements, we will not be liable for any amendment or any cancellation charges incurred by you in respect of any such independent travel arrangements.

7.3 If, before the start of your holiday, we are constrained by circumstances beyond our control to significantly alter any of the main characteristics to your holiday, we will offer you the choice of either (a) accepting the changed arrangements (b) accepting an offer for an alternative holiday with comparable facilities from us, if available (we will refund you any price difference if the alternative is of a lower value) or (c) cancel your booking completely in which case we will refund you all monies paid by you. Please note that the above options are not available where any change made is a minor one. A significant change may include change of accommodation to that of a lower category and/or price, the change of flight or rail times of more than 12 hours, a change of UK departure location (save the changes between London airports or a significant change of destination of cruise itinerary).

7.4 If we make a significant change or cancel less than 14 days before departure (other than reason of non-payment of travel arrangements by you, events beyond our control (paragraph 8 below) or minimum group size numbers not being reached (paragraph 10 below), we will also pay you compensation as detailed below:

98+ days	£0
78-43 days	£10
42-29 days	£20
28-15 days	£30
14-0 days	£40

You are required to advise us within 7 days of being notified of a significant change whether you wish to: (a) accept a proposed change or (b) cancel your booking and receive a refund.

If you have not notified us within 7 days, we will write to you again to obtain confirmation of your choice of the options above.

If you fail to respond within a further 7 days, we will cancel your booking and refund all payments made by or on behalf of you.

7.5 Please note that compensation referred to at 7.4 above and the options referred to at 7.3 above do not apply to any minor changes made by us.

### 8 Events Beyond Our Control

Please note that compensation will not be payable, and we will accept no liability beyond offering you the options above where:

(a) we are constrained to make a significant change or cancel your booking as a result of unusual and unforeseeable circumstances beyond our control. These circumstances will usually include but are not limited to, war, threat of war, riots, civil disturbances, terrorist activity and its consequences, industrial disputes, any failure to secure flying rights, natural and nuclear disaster, fire, epidemics, health risks and pandemics and unavoidable and unforeseeable technical problems with transport reasons beyond our control or that of our suppliers, closed or congested airports or ports, hurricanes and other actual or potential severe weather conditions, and any other similar events; or

(b) we are constrained to cancel your booking because the minimum numbers of booking required have not been reached and we have notified you within the time periods specified at section (10) of these booking conditions; or

(c) we cancel as a result of your failure to comply with any of the requirements of these booking conditions entitling us to cancel; or 7

(d) we make a significant change or cancel your arrangements more than 14 weeks before departure; or

(e) where the change or cancellation by us arises out of alterations to the confirmed booking request by you.

### 9 Post Departure Changes

9.1 If we are unable to provide a significant proportion of the holiday services that you have booked with us after your departure, we will, where possible, make alternative arrangements for you at no extra charge and if appropriate in all the circumstances we will pay you reasonable compensation.

9.2 Please note that a change in the time of your departure or return flight by 12 hours or less or a change of your UK departure airport between Heathrow, Gatwick, Stansted and Luton are not regarded as significant changes.

9.3 A change of accommodation to an equivalent or higher standard is also not regarded as significant nor are alterations to your itinerary which do not materially affect your holiday.

### 10 Delayed Return

10.1 In accordance with the Package Travel and Linked Travel Arrangements Regulations 2018, where it is impossible for you to return to your departure point on the return date of your package due to “unavoidable and extraordinary circumstances” we shall provide you with the necessary accommodation for a period not exceeding 3 nights per person. Where possible, this accommodation shall be of comparable standard to the accommodation booked by you under the package. For the purposes of this clause, examples of “unavoidable and extraordinary circumstances” include warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

10.2 The limitation of costs for 3 nights’ accommodation referred to above does not apply to persons with reduced mobility as defined by Article 2 of Regulation (EC) 1107/2006 and does not apply to persons of reduced mobility travelling by air and any other person accompanying them, pregnant women and unaccompanied minors as well as persons in need of specific medical assistance, provided that you have notified us of their needs at least 48 hours prior to departure.

### 11 Our Liability to You

11.1 We agree to perform and provide the travel arrangements which make up your booking with reasonable skill and care. If the contract you have with us is not performed or is improperly performed by us or any of our suppliers, we will pay you appropriate compensation if this has affected your enjoyment of your holiday. We will not be liable for any failure in the performance of the contract with you if this is due to:

1. a) The fault of yourself and/or another member of your party;
2. b) A third party unconnected with the provision of the travel arrangements and where failure is unforeseeable or unavoidable;
3. c) Unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised;
4. d) An event which neither we nor our suppliers, even with all due care, could have foreseen or forestalled.

11.2 Our liability to you and any member of your party, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your booking. Our liability will also be limited in accordance with and/or in an identical manner to

1. The contractual terms of the suppliers we use in the provision of your holiday arrangements form part of your contract with us. These terms are incorporated into this contract as are;

1. b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation you can claim for death, injury, delay to passengers, and loss, damage and delay to luggage.

11.3 We will not accept responsibility for any services which do not form part of your contract with us. These may include any excursion purchased during your holiday and any additional services or facilities which we have not agreed to arrange or provide as part of our contract with you.

11.4 You must inform us, without undue delay, taking into account the circumstances of the case, of any lack of conformity which you perceive during the performance of a travel service included in your package travel contract.

11.5 If we are found liable for loss and/or damage to your luggage or personal possessions (including money) our maximum liability to you is limited to £1,000 per person unless a lower limitation applies under this contract or by virtue of international conventions.

11.6 Where you have booked a “cruise only” holiday we do not accept liability for the costs of flights and/or any other travel arrangements in the event of changes being made to the scheduled departure or arrival times or locations of the cruise vessel.

### 12 Assistance by Us During the Course of Your Booking

If your contract with us is not performed or is improperly performed by us as a result of a failing attributable to a third party unconnected with the provision of holiday services, or as a result of failures due to unusual or unforeseeable circumstances beyond our control the consequence of which could not have been avoided even with all due care, or as a result of an event which we or our suppliers, even with all due care, could not have foreseen or forestalled, and you suffer injury or other material loss, we will offer to provide you with prompt assistance as is reasonable in the circumstances. If you or any member of your party suffers during the course of your holiday any difficulty as a result of any activity which does not form part of your contracted holiday arrangements, we will offer you prompt assistance without undue delay. Such assistance may include assisting you in making communications and helping you to find alternative travel arrangements. If the difficulty is caused intentionally by you or as a result of your negligence, we may charge a reasonable fee for that assistance which will not exceed the actual cost incurred by us. All assistance (financial or otherwise) is subject to our reasonable discretion and subject to you notifying us promptly of your need. If you are entitled to have any costs and expenses arising from such an incident met by or from any insurance policy or if you recover any costs and expenses relating to the incident from a third party, you must repay us the costs and expenses we have incurred in assisting you.

### 13 Passport, Visa, Documentation, Immigration and Health Requirements

13.1 The passport and visa requirements of yourself and your party, together with any other immigration requirements, are your responsibility and you should check these with the relevant embassies and/or consulates prior to travel. We do not accept any responsibility if you cannot travel if you have not complied with the relevant requirements in force prior to and at the time of travel.

13.2 It is also your responsibility to check all compulsory and recommended health requirements, including vaccinations, prior to travel and to ensure that you are in receipt of all and any necessary vaccination certificates and other health documentation. The costs of obtaining any such documentation are your responsibility and we are unable to accept any responsibility or liability if your travel arrangements are affected as a result of the failure to do so by yourself or any member of your party.

13.3 You must provide us with full details of any existing medical condition, allergy or disability that may affect your travel arrangements (including, in particular, any accommodation requirements) at the time of your booking. If in our reasonable opinion your chosen travel arrangements are not suitable for your medical problem or disability or you are not travelling with someone who can provide all assistance you may reasonably require, we have the right to refuse to accept the booking. If you do not give us full details of your medical problem or disability we can also cancel the booking when we find out full details if in our reasonable opinion, the travel arrangements are not suitable, or you are not travelling with someone who can provide all assistance reasonably required. If we cancel your booking as a result of this, the cancellation charges set out in Clause 6.1 above will apply.

13.4 Information on foreign travel is provided and regularly updated by the Foreign and Commonwealth Office. Details can be found at [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice) and [www.gov.uk/knownbeforeyougo](http://www.gov.uk/knownbeforeyougo)

13.5 If we are required or asked to reissue tickets that have been lost, destroyed or stolen and we agree to do so, any charges incurred as a result of this will be payable by you.

#### 14 Denied Boarding Regulations and Transportation Delays

14.1 If any flight you have booked is cancelled or delayed, your flight ticket is downgraded, or boarding is denied by your airline in circumstances which would entitle you to claim compensation against the airline under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004, you must pursue the airline for the compensation due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If your airline does not comply with these rules you should complain to the Civil Aviation Authority on 0330 022 1500 [www.caa.co.uk](http://www.caa.co.uk).

14.2 Unfortunately, flight or other transport delays sometimes occur. Depending on the length of the delay and surrounding circumstances, the carrier concerned should provide refreshments when and where appropriate. We are generally not in a position to provide any assistance in the event of flight or other transportation delays and cannot accept any liability except where expressly stated in these Booking Conditions.

#### 15 Insurance

15.1 You must take out suitable insurance for all your needs before you travel, and it is a condition of this contract that you or members of your party do so. We cannot be held responsible for any costs you may incur as a result of failing to do so.

15.2 If you take part in activities whilst travelling that have been organised and arranged independently of us, participation is at your own risk and it is your responsibility to ensure that you have obtained the relevant insurance.

#### 16 Your Responsibilities and Behaviour Whilst on Holiday

16.1 As part of your booking with us, you are accepting liability for any loss or damage caused by you or any member of your party during the course of your holiday. Payment for any loss or damage must be made to us or our supplier at the time that it occurs or as soon as is reasonably practicable thereafter. If the cost of the loss or damage is not known at the time, we will reasonably estimate it and if this reasonable estimate exceeds the amount paid, you must pay the difference once known, and if it is less, the difference will be refunded to you. You will also be responsible for, and agree to indemnify us, in respect of any claim subsequently made against us and all costs incurred by us (including our own and any other party's full legal costs) arising from your actions.

16.2 You are also responsible for the behaviour of yourself and other members of your party. We can refuse to accept you as a customer or refuse to continue dealing with you and/or any other member of your party by terminating your travel arrangements if yours or their behaviour is or is likely to be, in our reasonable opinion or in the reasonable opinion of our suppliers, disruptive, upsetting or dangerous to yourself or anyone else, or if you or any member of your party have caused or are likely to cause damage to property. In these circumstances, we will not pay any refund, compensation or other sum whatsoever or any costs or expenses incurred by you if we have to terminate your travel arrangements due to such unacceptable behaviour. In this situation we will have no further responsibility for you or any other member of your party (including any return travel arrangements). If your unacceptable behaviour means that you are not able to board your outward flight, we will treat your booking as cancelled from that moment and you will have to pay the full cancellation charges referred to in Clause 6.1 above.

#### 17 Excursions and Activities and Resort Information

Excursions, tours or other activities that you book or pay for whilst you are on holiday do not form part of the travel arrangements provided by us. Your contract will be with the operator or provider of that excursion, tour or activity and not with us. We are not responsible for the provision of the excursion, tour or activity or anything that may happen during the course of its provision by the operator. We do not accept any liability in relation to any such excursion, tour or activity and these Booking Conditions do not apply to them.

#### 18 Mooring, Docking and Adverse Weather Water Conditions

Occasionally, changes to your itinerary may be necessary due to adverse weather conditions, high or low water levels, mooring restrictions and lock closures. In some instances, it may be necessary in the interests of safety for sundeck access to be restricted or closed. In addition, it may sometimes be necessary for vessels to dock alongside each other resulting in partially or totally obstructed views. Unfortunately, these are events outside of our control and we can accept no liability for them.

#### 19 Local Charges & Tourist Taxes

Unless we have stated that a local service or facility is included or free in our accommodation description, you may be asked to pay a charge locally, for example, local tourist tax, room services (e.g. minibar), health and beauty treatments, snacks, drinks, etc. Tourist taxes may be payable by you when you check out of your holiday accommodation.

#### 20 Local Health & Safety Standards

You should be aware that it is the standards and health and safety requirements of the country in which the services which make up your travel arrangements are provided which apply and not those of the United Kingdom. These standards will be different to those of the United Kingdom and may sometimes be lower.

#### 21 Our Website, Brochure and Advertising

The information contained in our website, brochure and advertising material is our responsibility and to the best of our knowledge and belief it is correct at the time of publication. Occasionally errors may occur, and information may change, and you must therefore check all the details of your travel arrangements at the time of booking.

#### 22 If You Have a Complaint

22.1 In the unlikely event that you have cause to complain during the course of your travel arrangements with us, you must bring it to our attention immediately. If your complaint is not resolved then you must repeat your complaint in writing within 28 days of the end of your travel arrangements with us by writing to us at our Registered Office or emailing us at [customerrelations-intl@amawaterways.com](mailto:customerrelations-intl@amawaterways.com). You must provide any booking reference and all other relevant information to enable us to fully investigate your complaint. Any complaints which do not involve death, personal injury or illness and which are not made in accordance with this procedure we are unable to accept liability.

22.2 We are a member of ABTA, membership no. Y6393. Through our membership we can offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with your holiday. Further information on the ABTA Code of Conduct and the arbitration scheme can be found at [www.abta.com/consumer-services](http://www.abta.com/consumer-services).

22.3 The arbitration scheme is arranged by ABTA and administered independently by the Centre for Effective Dispute Resolution. It provides a straightforward and inexpensive method of arbitration on documents alone with restricted liability in respect of costs. Full details will be provided on request or can be obtained from the ABTA website.

22.4 The scheme does not apply to claim for an amount greater than £5,000 per person and there is a limit of £25,000 per booking. It does not apply to claims in respect of physical injury or illness. The scheme can deal with compensation claims which include an element of minor injury or illness, subject to a limit of £1,500 per person that can be awarded by the arbitrator.

22.5 The application for arbitration and statement of claim must be received by CEDR Solve within 18 months from the date of return of the holiday. Outside this time limit, arbitration may still be available under the scheme if the company agrees but the ABTA code does not require such agreement.

22.6 For injury and illness claims, you may use the ABTA/CEDR Solve mediation procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. Details can be provided on request or from [www.abta.com](http://www.abta.com).

#### 23 Data Protection

In order to process your booking and to make sure that your holiday arrangements run smoothly, we need to pass the information which you provide on to relevant suppliers such as airlines, transfer companies, hotels etc. The information which we provide may also be provided to credit checking companies and public authorities such as customs and immigration if required by law. Where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination country may not be as strong as they are in the UK. However, we will not pass your information on to any person who is not responsible for part of your holiday arrangements. If we cannot pass your information on to relevant suppliers, we cannot provide your booking, therefore in making this booking, you consent to your information being passed on to them. Your data controller is: AmaWaterways Ltd. You are entitled to a copy of your information held by us and if you would like to see this, please ask us. It may be necessary to make an administration charge for providing this to you.

Please refer to our Privacy Policy at [www.amawaterways.co.uk/privacy-policy](http://www.amawaterways.co.uk/privacy-policy) and which forms part of these booking conditions.

#### YOUR KEY RIGHTS UNDER THE PACKAGE TRAVEL AND LINKED TRAVEL ARRANGEMENTS REGULATIONS 2018

##### General

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018.

Therefore, you will benefit from all EU rights applying to the packages. AmaWaterways Limited will be fully responsible for the proper performance of the package as a whole.

Additionally, as required by law, AmaWaterways Limited has protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that it becomes insolvent.

#### KEY RIGHTS UNDER THE PACKAGE TRAVEL AND LINKED TRAVEL ARRANGEMENTS REGULATIONS 2018

- Travellers will receive all essential information about the package before concluding the package travel contract.
- There is always at least one trader who is liable for the proper performance of all the travel services included in the contract.
- Travellers are given an emergency telephone number or details of a contact point where they can get in touch with the organiser or the travel agent.
- Travellers may transfer the package to another person, on reasonable notice and possibly subject to additional costs.
- The price of the package may only be increased if specific costs rise (for instance fuel prices), and if expressly provided for in the contract, and in any event not later than 20 days before the start of the package. If the price increase exceeds 8% of the price of the package, the traveller may terminate the contract. If the organiser reserves the right to a price increase, the traveller has a right to a price reduction if there is a decrease in the relevant costs.
- Travellers may terminate the contract without paying any termination fee and get a full refund of any payments if any of the essential elements of the package, other than the price, has changed significantly. If before the start of the package the trader responsible for the package cancels the package, travellers are entitled to a refund and compensation where appropriate.
- Travellers may terminate the contract without paying any termination fee before the start of the package in the event of exceptional circumstances, for instance if there are serious security problems at the destination which are likely to affect the package.
- Additionally, travellers may at any time before the start of the package terminate the contract in return for an appropriate and justifiable termination fee.
- If, after the start of the package, significant elements of the package cannot be provided as agreed, suitable alternative arrangements will have to be offered to the traveller at no extra cost. Travellers may terminate the contract without paying any termination fee, where services are not performed in accordance with the contract and this substantially affects the performance of the package and the organiser fails to remedy the problem.
- Travellers are also entitled to a price reduction or compensation for damages or both where the travel services are not performed or are improperly performed.
- The organiser has to provide assistance if the traveller is in difficulty.
- If the organiser or the retailer becomes insolvent, payments will be refunded. If the organiser or, where applicable, the retailer becomes insolvent after the start of the package and if transport is included in the package, repatriation of the travellers is secured. AmaWaterways Limited has taken out insolvency protection with the following entities:
  - For flight inclusive holidays: Civil Aviation Authority of 45-59 Kingsway, London WC2B 6TE, [caa.co.uk](http://caa.co.uk), telephone: 0330 103 6350, email: [claims@caa.co.uk](mailto:claims@caa.co.uk)
  - For package holidays that do not include a flight: ABTA – the Travel Association at 30 Park Street, London SE1 9EQ, [abta.com](http://abta.com), telephone: 0203 7588779, email: [customerprotection@abta.co.uk](mailto:customerprotection@abta.co.uk)
